INTRODUCTION

Al Ghani Garden Phase 7 is a modern residential and commercial project designed for comfortable, community-focused living. Located in a prime area, it offers well-planned plots, eco-friendly spaces, and essential facilities, including parks, schools, and commercial areas. Developed with quality and sustainability in mind, it provides an ideal investment for both residents and investors looking for a secure and well-structured community

OUR VISION

Al Ghani Garden Phase 7 envisions a vibrant, sustainable community with modern amenities, secure living spaces, and investment potential. By blending quality infrastructure with eco-friendly designs, it aims to create a well-rounded, community-focused environment that enhances residents' lifestyle and offers long-term growth opportunities for investors.

OUR MISSION

Our mission at Al Ghani Garden Phase 7 is to develop a sustainable, high-quality living environment that meets the evolving needs of residents and investors. We are committed to creating a secure, well-integrated community with modern amenities, green spaces, and thoughtful design, ensuring a vibrant lifestyle and lasting value for all.

AMENITIES

AL GHANI GARDEN PHASE 7

Shopping Mall

Experience the heart of convenience at Al Ghani Garden Phase 7's shopping mall! From top brands to dining and entertainment, everything you need is right here. Redefine your lifestyle with luxury and ease in your community!

Amusement Park

Exciting plans are underway for Al Ghani Garden Phase 7! Our future amusement park will bring joy, rides, and family fun right to your community. Get ready for a vibrant lifestyle where entertainment meets adventure!

Community Centre

The community centre at Al Ghani Garden Phase 7 is a vibrant hub designed to foster connection and engagement among residents. Featuring multipurpose spaces for events, activities, and workshops, it serves as a focal point for social interaction, cultural celebrations, and community initiatives, enhancing the overall quality of life in the neighborhood.

Islamic University

The Islamic University at Al Ghani Garden Phase 7 provides a dedicated space for higher education rooted in Islamic values and principles. Offering a range of academic programs alongside religious studies, the university aims to nurture well-rounded individuals who excel academically and contribute positively to society, making quality education accessible within the community.

Schools & Colleges

Al Ghani Garden Phase 7 features state-of-the-art schools and colleges that provide high-quality education for students of all ages. Equipped with modern facilities, experienced faculty, and a comprehensive curriculum, these institutions foster academic excellence and personal development, ensuring that residents have access to top-notch educational opportunities within their community.

Mosque

The mosque at Al Ghani Garden Phase 7 is a stunning **REPLICA OF THE HISTORIC AL AQSA MOSQUE**, designed to offer residents a serene and inspiring space for worship. With its intricate architecture and attention to detail, this mosque not only serves as a spiritual center but also brings a sense of heritage and reverence, enhancing the community's cultural and spiritual experience.

Miyawaki Forest

The Miyawaki Forest at Al Ghani Garden Phase 7 is a lush, eco-friendly space designed to promote biodiversity and environmental sustainability. Utilizing the Miyawaki method, this forest features a dense planting of native trees, creating a vibrant habitat that enhances air quality and provides a serene retreat for residents, while also contributing to the ecological health of the community.

Health Care

The hospital at Al Ghani Garden Phase 7 provides quality healthcare with advanced medical facilities and experienced staff. Designed to ensure residents have access to prompt and reliable medical care, it offers a range of services for both routine and emergency needs, prioritizing health and wellness within the community.

Roads & Infrastructure

The wide roads at Al Ghani Garden Phase 7 are thoughtfully designed to ensure smooth traffic flow and enhance accessibility throughout the community. With ample space for vehicles and pedestrians, these roads promote safety and convenience, making it easy for residents to navigate their surroundings while enjoying a pleasant, open environment.

Monuments

The monuments at Al Ghani Garden Phase 7 are beautifully crafted landmarks that add cultural and historical significance to the community. Designed to reflect heritage and inspire pride, these monuments enhance the aesthetic appeal of the surroundings while serving as meaningful gathering points and symbols of unity for residents.

24/7 Security

Al Ghani Garden Phase 7 offers round-the-clock security to ensure a safe and secure living environment for all residents. With a combination of trained personnel, advanced surveillance systems, and secure entry points, our 24/7 security provides peace of mind, allowing residents to enjoy their community with confidence and comfort.

Town & Safari Homes

The Town & Safari Homes at Al Ghani Garden Phase 7 offer unique and comfortable living spaces designed for modern lifestyles. These homes combine stylish architecture with functionality, featuring spacious layouts and high-quality finishes. With scenic views and close proximity to nature, they provide residents with a serene, adventurous lifestyle within a well-equipped, secure community.
